

Mothers Union Fellowship - Annual Report Jan - Dec 2025

The meetings in 2025 were well attended by our small Fellowship with several outings including a very interesting afternoon spent at the Bomber Command Centre in Lincoln. Reverend Jane joined us for an open meeting and we spent an afternoon hearing about the history of the Mothers' Union and the story of our founder Mary Sumner.

Our stall at the Christmas Fair was particularly successful in 2025. It proved to be a really good idea to move away completely from selling bric-a-brac items and gifts to only selling toiletries, jewellery and new items that we collected throughout the year. Almost all of our stock was sold and any remaining items were given to the Salvation Army Christmas gift appeal. We were also able to buy a large quantity of toys for the same appeal.

We are grateful to Lyn Foster for her attendance at Baptisms during the year and for passing on welcoming cards to families. Thank you to everyone who came and helped us make Christingles and posies for Mothering Sunday, without help from the congregation this would now be quite difficult.

We still keep in close contact with the Witham Cluster and try to attend both Summer and Winter Council meetings when possible.

We represented the Mothers' Union at the WellBeing event held in Saxilby during the summer when we were supported by our new President who came and spent some time with us.

We look forward to 2026 with an exciting new project we are planning.

Wanda Atkey for Saxilby Mothers' Union Fellowship
